Resident Spotlight: Maria Gonzalez

Maria was born and raised in beautiful Cuba. One of Maria's fondest childhood memories was roller skating with her friends after school. Maria's favorite food was a dish her mother prepared for her. She loved her mother's tamales; she stated no one made them better than her mother. If Maria had a super power, it would be the ability to have X-ray vision. Out of all the seasons, Maria chose summertime. She said she loves all the beautiful sunshine and flowers summer has to offer. Maria's favorite song is the timeless classic by Irving Berlin, "White Christmas." If Maria could share one piece of advice, it would be to treat others with love, kindness and understanding. We need to love others the same way we love ourselves. When asked what she liked most about Oakleaf Village, she stated, "I enjoy all the daily activities Oakleaf has to offer."
