Resident Spotlight for June

Oakleaf Village, meet Mr. Frank Geiger. Frank was born and raised in Columbia, South Carolina. Frank's favorite hobby would have to be going to a fun classic car show to check out all the Mustangs. His favorite meal would have to be a rare steak, with a loaded baked potato, and a tossed salad with honey mustard. And for dessert, a hot slice of apple pie. One of Frank's favorite childhood memories would be when he would ride on his brother's handle bars on his bike to go visit friends. If he could possess a superpower, it would be the ability to create harmony and world peace. When asked what he enjoys most about life at Oakleaf Village, Frank stated, "the people here." Frank shared he is very pleased with the friendships he has made. He stated that those friends have helped him to become more of a social individual.

Summer Edition of "Getting to Know Your Village"

Ashley Elliott, Executive Director

Let us all get to know Ashley Elliott, our Executive Director at Oakleaf Village. Ashley has been with Oakleaf Village for 22 years. Ashley has been married for 19 years; she has two children. Here are some things about Ashley we all want to know! Ashley confessed her favorite way to spend the weekend is on the beach. Her favorite food would have to be a yummy slice of pizza or seafood. She has several pets at home—two cats named Junie and Samantha and two dogs named Sally and Woody. We asked Ashley if she could be a dessert, what would she be? She stated, "I would be anything with peanut butter, because I can be nutty sometimes!" Ashley's favorite holiday would have to be Christmas. She shared if she could have one superpower, it would be the ability to turn back time. The best advice Ashley has ever received was to give it to God and let it go.
